Re: Identification No. C00042622
References: Mid-Year Report, Year-End Report

Dear Ms. Manzano:

Your letters concerning the above-referenced matters have been referred to me as the General Counsel for the Massachusetts Republican State Committee. First, let me apologize for the delay in responding to your inquiries; as you know, the recent months have been our biennial busy season.

Our entire financial records for 1993 are being completely audited and analyzed by an independent accountant. That report should be completed in January. Thus, rather than respond in a piecemeal fashion to your letters, we would request an extension of time in order to permit us to provide a complete and verified response. I have emphasized to the executive director of the party that this matter is a priority. He has indicated to me that both he and the treasurer will attend to it as soon as the accountant has completed his report. This will allow us to provide you all the information necessary for both requests.
